

WNC Sustainable Development Policy

Vision

Become a trustworthy communications solutions partner creating positive connections and interactions between the environment and mankind.

Strategy

Incorporate environmental protection, social responsibility and corporate governance in company operations and business strategies while continuing to strive for sustainable competitiveness.

Environmental Protection

- Low carbon transition
- Promote circular economies
- Provide sustainable product solutions

Social Responsibility

- Create a safe workplace
- Support education of disadvantaged children/youths
- Support social innovation and cultural development

Corporate Governance

- Build a complete corporate governance system and financial structure
- Promote a sustainable value chain of mutual trust, mutual assistance, and mutual prosperity

Integrity-related Issues

If you find any instances of improper advantage or a violation of business ethics by a WNC employee, supplier, or partner, please contact us at WNC.integrity@wnc.com.tw. Your personal information will be handled with the strictest of confidence.

Stakeholders Contact

If you have any questions or suggestions about WNC's sustainable development policy and implementation, please contact us at:
