Hsinchu City, Taiwan

Subject: Confirmation of Associate Membership for WNC Corporation

Dear Valued Member,

It is with great pleasure that we confirm: **WNC Corporation** has been welcomed as an **Associate Member** of the **Asia Clean Energy Coalition (ACEC)**.

Effective from **1 January 2025**, WNC Corporation becomes part of a growing community of leading companies committed to accelerating the adoption of renewable energy and driving forward the clean energy transition across Asia.

We deeply appreciate WNC Corporation's dedication to sustainability and its proactive engagement in advancing clean energy procurement within its operations and supply chain. Your participation brings valuable insight to our collective efforts and strengthens our shared vision for a more transparent, accessible, and enabling clean energy ecosystem in the region.

As an Associate Member, WNC Corporation is invited to participate in ACEC's policy dialogues, working groups, and knowledge-sharing platforms. We look forward to close collaboration and learning together as we work to shape practical and forward-looking solutions for corporate renewable energy deployment.

Thank you once again for your trust and commitment. We are honored to have WNC Corporation as part of the Coalition.

With warm regards,

A handwritten signature in black ink, appearing to read "Suji Kang". The signature is fluid and cursive, with a large initial "S" and a stylized "K".

Suji Kang
Program Director
