

## **WNC Global Supply-Chain Management Policy**

### **Policy**

WNC and our suppliers join hands in maintaining a sustainable supply chain through continuous optimization of supplier-management strategies and operations efficiency. This helps achieve a balanced development of operating profits, environmental protection, and social responsibilities and realizes greater value for all stakeholders.

### **Mission Statement**

Based on the principles of supporting business development and improving competitiveness, WNC will continue to implement effective management and enhancement of our suppliers' quality, price, lead-time, services, environmental protection, and performance of their social responsibilities. This enables us to develop an optimal supplier portfolio and purchasing guidelines, contributing to a responsible supply chain jointly managed by WNC and our suppliers.
