

WNC Sustainable Development Policy

Vision

Become a trustworthy communications solutions partner creating positive connections and interactions between the environment and humankind.

Strategy

Incorporate environmental protection, social responsibility and corporate governance in company operations and business strategies while continuing to strive for sustainable competitiveness.

Environmental Protection

- Adopt green product design concepts
- Implement renewable energy strategies
- Participate in carbon reduction initiatives
- Promote low carbon transitions

Social Responsibility

- Care for the land and smallholder farmers
- Support education of disadvantaged children/youths
- Create a safe workplace

Corporate Governance

- Build a complete corporate governance system
- Improve operational performance
- Create a sustainable value chain
