

WNC Sustainable Development Policy

Vision

Become a trustworthy communications solutions partner creating positive connections and interactions between the environment and mankind.

Strategy

Incorporate environmental protection, social responsibility and corporate governance in company operations and business strategies while continuing to strive for sustainable competitiveness.

Environmental Protection

- Adopt green product design concepts
- Implement renewable energy strategies
- Participate in carbon reduction initiatives
- Promote low carbon transitions

Social Responsibility

- Care for the land and smallholder farmers
- Support education of disadvantaged children/youths
- Create a safe workplace

Corporate Governance

- Build a complete corporate governance system
- Improve operational performance
- Create a sustainable value chain

Integrity-related Issues

If you find any instances of improper advantage or a violation of business ethics by a WNC employee, supplier, or partner, please contact us at WNC.integrity@wnc.com.tw. Your personal information will be handled with the strictest of confidence.

Stakeholders Contact
